

## **Wolfe Pointer Monthly Food Collection**

Patty Soffronoff runs a food collection drive for needy people in the Lewes/Rehoboth area most months. She collects donation Monday through Thursday on the weeks specified on the Activity Calendar and brings the donations to the Rehoboth Community Resource Center on Friday.

The Center is flooded with people who find themselves food insecure due to any number of tragedies. During the winter they also offer a day center program to provide food, respite, showers, and access to laundry facilities for homeless individuals. The Center has a baby pantry and a branch of “I Support the Girls” to provide female health and underwear products for women. CRC averages over 4,000 bags of food a month and is serving well over 50 families, accounting for more than 100 children. Your donations make an immediate difference in the lives of those living near us.

Please bring your donation to 36315 Tarpon Drive Monday through Thursday on the weeks specified on the Activity Calendar. You may also donate by check to Rehoboth Community Resource Center, 37510 Oyster House Road, Rehoboth Beach, DE, 19971.
