

WOLFE POINTE POOL INFORMATION, POLICIES, AND RULES 2025

General Information

The pool will open this season on May 10 and close on September 28. Pool hours are between 6 a.m. and 9 p.m. daily. Key fobs necessary to enter the pool premises have been deactivated and homeowners wanting to use the pool this season must complete, sign, and submit the attached liability release to activate their pool passes. If you do not already have a key fob, you will first have to obtain one as explained below.

All homeowners and users of the Wolfe Pointe pool facility are responsible for abiding by the rules that govern pool operation at Wolfe Pointe. We ask that each of you help us maintain a clean and safe environment for everyone to enjoy. Your help and cooperation in following the Wolfe Pointe Pool Rules will help keep our operating costs and the HOA fees low.

The pool gate is locked by an electronic locking system. Entering the pool area requires a pool pass ("key fob"). The key fob will be registered to individual property owners and will electronically log your entrance into the pool area. All property owners, family members, and their guests must use the fob to enter the pool and should not share their fob with others and the gate should not be propped open.

Each property owner must complete the attached *Release and Waiver of Liability, Assumption of Risk; and Indemnity and Parental Consent Agreement*, and have all adult residents (18 years and older) sign the form. Once your completed and signed form is received your key fobs will be activated. Guard the security of the fob. The fob is not labeled as Wolfe Pointe to enhance this security if the fob is lost. Key fobs will work only during pool hours and your key fob will not allow entry outside of posted hours.

If you are new to the pool or want an additional key fob (up to four fobs, if needed), contact Mate McCain (302-644-3488) to obtain a key fob or obtain a replacement. The cost of the initial fob is \$15 and each additional fob is \$20 each. You may pay in cash or check payable to WPPOA. Fobs will be issued only after receipt of signed release form and proper payment.

If you see violations of pool rules, please speak up and remind the individuals of the pool rules. If this does not address the situation, please contact a member of the pool committee so we can take the proper action to resolve the situation. If you notice any damage or equipment missing in the pool area, please report it immediately to a pool committee member.

An emergency telephone (for 911 calls only) is in the red metal box on the outside wall to the right of the men's bathroom along with a First Aid Kit. Remember, for all emergencies, dial 911 and give the location of the pool, which is 35847 Black Marlin Drive in the Wolfe Pointe Community.

In case of emergency or power failure, the red emergency exit button is on the post on your right as you exit the pool area. Lift the plastic cover and push the RED emergency exit button. *Please do not use the emergency exit button unless there is a real emergency!* Activating the emergency exit button will cause an alarm to sound and will disable the security mechanism on the gate. If you activate the emergency exit button by mistake, the exit system can be re-activated using the tool attached to the Emergency Exit button. If you are unable or unwilling to re-activate the system, please contact a member of the Pool Committee so the system can be activated quickly.

Wolfe Pointe Policies

The Wolfe Pointe pool is for the exclusive use of Wolfe Pointe property owners, their families, and their guests. The pool is generally underutilized, and all residents are encouraged to take advantage of the facilities while being mindful of other pool users. No pool user has priority over others, and no one should be discouraged from pool use.

No lifeguards are on duty at the Wolfe Pointe pool. The pool will be open during posted hours for property owners, family members, and their guests, and at their own risk.

All property owners and their children over 18 must have a signed Release of Liability form on file before their key fob will be activated. Anyone under the age of 14 must be accompanied and supervised by an adult (someone 18 years of age or over). Except for immediate family members, overnight house guests, and childcare providers (≥ 18 years of age rule applies), your key fob may not be used by anyone without the property owner being present. Failure to comply will result in the same penalties as stated for underage swimming.

Penalties will be imposed for property owners and their families who ignore the pool rules. For the first offense, the property owner will receive a verbal warning. For the second offense, pool privileges for *all* family members and guests (which includes all your key fobs if you have more than one) will be disallowed for two weeks. For the third offense, pool privileges will be disallowed for the balance of the season for *all* family members and their guests. The pool management company or any property owner can report offenses of age limit

rules to a pool committee or board member. The property owner(s) will then be contacted, and appropriate action will be taken.
