Property owners may reserve time at the pool for parties; however, the pool will not be closed to the rest of the community during this time. Lifeguards are required for private parties. It will be the responsibility of the party host to pay for all lifeguards needed. Arrangements must be made through Mary Burch. Mary will contact Best Pools to determine lifeguard requirements. Wolfe Pointe Property Owners Association reserves the right to cancel this reservation agreement with no liability to the association or any owner of property in Wolfe Pointe, if at any time it determines that the condition of the facilities or the weather are unsafe or are otherwise unsuitable for the event being planned.

**COSTS:** RESERVATION FEE -\$100 (payable to WPPOA) with a maximum of 50 guests. This fee will cover the cost of normal cleanup and maintenance. Property owner reserving the pool facility is responsible for party-related clean up and for any additional cleaning/maintenance fees that WPPOA incurs due to extra cleaning or destruction of property.

**LIFEGUARDS:** Best Pools can furnish Certified Lifeguards for parties at a rate of \$75 per hour, 4 hour minimum. At least 3weeks notice is required.
