Tennis/Pickleball – The resurfacing is scheduled for the week of 9/11. We will let you know when we have details. When the resurfacing is completed we will also add lines for a second pickleball court. We already have the second pickleball net.

Wolfe Pointe Readers - The Wolfe Pointe Readers (book club) regularly meets on the second Wednesday of the month. All are welcome! The next meeting of the Wolfe Pointe Readers will be Wednesday, September 13 at 7pm.

Cindy Silver will host at 35896 Black Marlin Dr (corner of Black Marlin and Wahoo)
The book is *“The Magic Strings of Frankie Presto”* by Mitch Albom.

Any questions please email Jane Nathan at jane731@fastmail.com

Come and meet us even if you haven't read the book.

Architectural Review Committee (ARC) – There is a lot of new construction going on in the community, so if someone has a complaint against any of the new home sites, you should notify a Board member and/or Sandra Ware with the name of the Contractor.

That includes working on Sundays and after 7 pm.

Pool – Labor day, September 4th, will be the last day the pool will be open this year.

From Carl Phelps, President, Wolfe Pointe POA Board

Good Day and Welcome to Fall and the start of school; WOW, how time flies. The new school year is just around the corner, the pool will be closing in a week and a half, the leaves will be changing and dropping, and the weather will actually start to cool off.

Speaking of the pool, please remember to review the pool rules. It seems that several individuals thought of the pool as their private ocean, again putting chairs in the pool, launching kayaks in the pool, and in a couple of cases, leaving trash behind for others to clean up. Please remember, this is a community pool, so please be kind, think of your neighbors and help us keep it clean, which helps reduce expenses. There are many people to thank for keeping the pool opening this year, Mark Roach, Steve Thienel, Tom Hartley and RJ Keller, just to name a few. The work done by the pool committee, in my opinion, went way above and beyond, so be sure to thank one and all for their hard work as you enjoy the fruits of their work.

We had some fantastic events over the summer, which culminated with the Pool Party, a rousing success and the Yard Sale, which again was the highlight of the yard sale set.

I want to remind everyone that school is starting right after the Labor Day holiday. There will be young people walking to the pool for bus pick up, riding their bicycles to the pool or school and new young drivers driving to school. I ask that everyone leave a few minutes earlier than they have been so we can all slow down to ensure all our neighbors get to school and work safely.

Two small items I would like to bring up this month. First, a reminder that trash cans are to be in the garage or behind a barrier so as not to be visible from the road or by your neighbors on either side. If you put them out for a Monday or Wednesday pickup and are leaving the area, ask a neighbor to put them away for you. If you cannot find a willing neighbor (I cannot imagine that happening) I am sure there are several enterprising young folks in the area who will provide the service for you.

Second, work trailers and vehicles are NOT to be parked in driveways or behind the garage if they are visible by your neighbors behind you.

I hope everyone had a great summer, we lost a few friends and neighbors along the way, but we also gained some new ones. If you have not already done so, please make it a point to visit and introduce yourself to the new folks and make everyone welcome into our great community. I look forward to seeing you at the upcoming events planned for Wolfe Pointe.

Carl

Roads and Grounds - The Roads & Grounds Committee requests homeowners to please keep the grass trimmed from the edge of pavement in front of their homes. Also, if possible, spray the edges with an herbicide or other type of vegetation inhibitor to keep the wire grass and other invasive grasses from getting under our pavement. The intrusion of organic material under the pavement edge can cause the pavement to break down and fail. If you use a landscape service, please remind your landscape contractors to trim grass away from the pavement edge.

We have upgraded some of our entrance lighting and homeowners should notice a difference in the quality of the lighting on our entrance signs. The new lights have a more consistent color and also have a broader field so that more of the stonework on the walls is visible.

The days are getting shorter.....Please let R&G know if any streetlight poles in the vicinity of your home are out or are working intermittently. The Delaware Electric Coop is very responsive in taking care of our service requests. If you have a lighting issue, please email a photo of the pole number to the R&G Committee at rjkeller3@comcast.net. Stickers with the DEC # are mounted on the face of all of our street light poles.

Community Connections Committee Update
Wolfe Pointe Summer Celebration
What a fabulous day and good time for all (85+)who attended the Wolfe Pointe Pool Party. We are grateful to Kris Keller for her spectacular efforts planning the food and entertainment for the past two years and spouse R J Keller who was an amazing DJ.

UPCOMING EVENTS

COOL BY THE POOL

Don't miss the last weeks of COOL BY THE POOL. Friday September 1st will be the Last Cool by the Pool for the 2023 season. See the flyer on page 4 for details.

NEIGHBORS WANTED FOR MEET THE NEIGHBORS FEATURE!!!

Lisa Hoffman is leading the efforts to reach out to new owners welcoming them to the neighborhood and delivering information packets.

Please let me know if you have not received one or have questions.

As a part of this effort, we coordinate the MEET THE NEIGHBORS Feature for the Newsletter to introduce a mix of new residents and people who have been here awhile.

Cathy Zambito will be reaching out to residents to assist with this effort.
